

Environmental Policy

SOCF is committed to being a leader in minimising our impact on our environment.

This is an ongoing commitment and will cover every aspect of our operations.

Embrace and fully support the Nottingham declaration on climate change

Minimise waste by consistently evaluating our activities and ensuring they are as efficient as possible

Minimise toxic/greenhouse gas emissions through by selecting the greenest transport options

Champion recycling both internally and amongst our customers and suppliers.

Deal wherever possible only with businesses whose products have been produced and distributed using methods and materials that minimise any environmental impact .

Seek to exceed all the environmental legislation that relates to our company and business

Seek to use an accredited programme to offset the greenhouse gas emissions generated by our activities.
